

Incomplete

All I ever wanted was you  
To love you, to hold you  
And I tried  
I tried to give you my love  
But you rejected it

I want you so much  
But you don't want me  
You hate me  
I never did anything to you  
Except love you

You completely ignore me  
Pretend I don't exist  
And of course,  
I don't, not in your reality.  
And I never will.

You can never know  
What you are to me  
I wanted you  
To complete me, complete The Dean,  
But that can never be

You will never love me,  
Want me, acknowledge my existence,  
Need me,  
But you are the only person,  
I have ever loved.

The first, the last,  
I would give everything to you,  
Always;  
Do anything for you  
Anything at all

If it meant you would love me.

I would do anything,  
Anything at all  
For you  
If it would make you love me,  
Like I love you.

(and I will always love you,  
Always need you,  
Never forget you,  
Like you have forgotten me  
Never)
